GABRIELLA

With special pieces, features and design details just for girls, Gabriella is a graceful vision in white. The refined Lace finish boasts just a hint of glaze, which accentuates rose carvings, fluted pilasters, beaded accents and charming painted bale-pull hardware. New smartstuff smart features are incorporated throughout the collection, such as removable partitions in drawers to provide simple organization to help mom - and the kids - bring order to busy lives. Plus, select pieces include fun, smart teaching elements like coasters in all of the nightstands.
