EXPLORE HOME™

*Comb through the braided memories.  
Look back to the blooming bliss of yore.*

Take another look at the room that first caught your eye. Here sits that feeling in the belly, that rises and falls like wood, like the body asleep. Like returning to your favorite city. All of the memories come back. Every cobbled stone beneath another step, the bridge still hangs over that languid waterway.

All of it familiar, but all of it bathed in a new light.

**CHARGE** A discreet way to power your modern devices and light the room, without the reminder of tangled cords.

**KEEP** A natural, spacious wardrobe that tells a story without giving too much away, because you want a cabinet that's both organized and beautiful.

*All of it familiar,  
bathed in a new light.*

**TREASURE** A hidden space to keep your sentimental pieces safe, yet within reach for your next special occasion.

**DRAPE** A subtle spot to hang your shawl at the end of a romantic evening, for when you're not quite ready to say goodnight.
