## FEATURES YOU CAN TRUST

Drawers feature positive drawer stops and side mounted, ball bearing extension guides.

Drawer fronts are constructed with English dovetail joinery.

Drawer interiors are sanded and stained for a finished drawer interior.

All beds feature bolt-on rails to ensure secure attachment and to prevent rails from accidentally unhooking.

Plywood Slat Rolls, included with every bed, create strong foundation to support mattresses.

Dressers, Bureaus, Chests, Desks and Night Stands include anti-tip hardware.

All items use lead-free finishes.

Most beds offer low and high rail positions to accommodate underbed storage and growing children.

Grace offers a classic style updated for today's consumers. The spindle posts, elevated bun feet, soft shaped edges and flat drawer fronts add a vintage appeal to this collection. Multiple bed options in different sizes allow this group to go from youth to second bedroom. USB kits, underbed storage and several case options add function and storage, allowing you to create the perfect bedroom setting. The Gossamer Gray finish with light distressing, worm holing and rub through add a touch of authenticity to Grace.
