MANOR HOUSE

8200

Manor House is a total home collection offering generously scaled pieces with an Old World style, updated for today's consumer. Traditional and distinctive design elements such as canted corners, routed pilasters, reeded and fluted legs and pedestals add a timeless look to this grouping. The neutral tone of the brown/gray Cobblestone finish allows the collection to fit in many settings. Larger scaled hardware in a dark Ebonized Nickel finish complete each piece, while faux metal accents, marble inset tops and antique mirror adorn select items.

Welcome to the life & style you love. Welcome to Manor House.

Crafted with select hardwoods and Pecky Rustic Elm veneers in a Cobblestone finish with Ebonized Nickel finished hardware and accents.
