RACHAELRAY™

HOME

There is a feeling that happens when family and friends gather around a table to share a meal and conversation, and Rachael Ray Home brings this warmth and joy to every room. As functional and innovative as they are comfortable and inviting, Rachael's pieces are perfect for every house - and the people that make it a home.

"The creation of my furniture collection gives me a chance to mirror what I've done in the kitchen for the rest of the home - offering designs that are not only beautifully crafted and multi-purpose, but a great value.

I want everyone to feel as welcomed home by their own spaces as I do by mine."
