RACHAELRAY™

HOME

There is a feeling that happens when family and friends gather around a table to share a meal and conversation, and Rachael Ray Home brings this warmth and joy to every room. As functional and innovative as they are comfortable and inviting, Rachael's pieces are perfect for every house - and the people that make it a home.

"The creation of my furniture collection gives me a chance to mirror what I've done in the kitchen for the rest of the home - offering designs that are not only beautifully crafted and multi-purpose, but a great value.

I want everyone to feel as welcomed home by their own spaces as I do by mine."

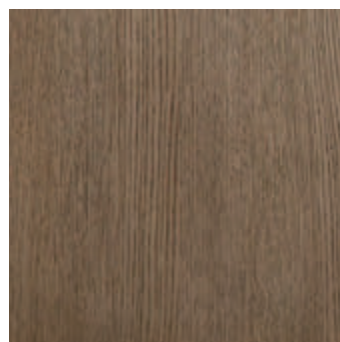

Rachael

HUDSON 7820

Rachael's Hudson youth collection combines functional options with imaginative details and timeless design, enabling her pieces to be loved from a young age to a college dorm room. Multipurpose, customizable pieces bring originality and longevity to this sophisticated line suitable for every age, blending sleep, study, and storage seamlessly. To complete the look, select hardwoods with quartered White Oak Veneers sport a weathered Greige finish accented by industrial metal framing, and Oil Rubbed Bronze Inset Hand Pull hardware is discreet and functional.
