RACHAELRAY™

HOME

There is a feeling that happens when family and friends gather around a table to share a meal and conversation, and Rachael Ray Home brings this warmth and joy to every room. As functional and innovative as they are comfortable and inviting, Rachael's pieces are perfect for every house - and the people that make it a home.

"The creation of my furniture collection gives me a chance to mirror what I've done in the kitchen for the rest of the home - offering designs that are not only beautifully crafted and multi-purpose, but a great value."

"I want everyone to feel as welcomed home by their own spaces as I do by mine."

Rachael

REFINED RUSTIC 9050

A beautiful combination of country meets Old World design themes, Refined Rustic by Rachael Ray Home is inspired by Rachael's first home in upstate New York. It captures her love of pieces that have character, like the timeworn antiques she herself used to decorate her two bedroom cabin.

This collection features Flat Cut White Oak veneers on select hardwoods in a medium brown, Hunt Country finish with light distressing. Design details such as planked tops, sculpted pilasters, scroll motifs and carved moldings add to the authentic feel. Old World Brass finished metal hardware and accents complete the look of this group. The collection offers multiple options for bedroom, dining, accents and occasional.
